Extended Life Premium Self-Aligning Center Bearing

Neapco's history and dedication to Manufacturing Driveline Solutions since 1921, and our quality products that are proven to outperform the competition makes us the industry's most experienced and qualified driveline experts. Our Self-Aligning Center Bearings continue this longstanding level of quality.

Neapco Self-Aligning Center Bearing Features and Benefits

DESCRIPTION	FEATURES	BENEFITS
Improved Design	Enhanced Alignment Capability	Allows +/- 10 degrees of driveline angularity
Mounting bracket	Provides a common mounting platform on the cross member or mounting bracket	No bracket changes or shimming are required to attain the desired driveline alignment
Premium Bearing	Premium Seal, Higher Load Capacity	Extended Life
Part number compatibility	Easy to cross-reference	Provides backward compatibility with previous Neapco part numbers and/or current competitor designs
Self-aligning center bearing	Direct replacement	For all vehicles equipped with OEM self-aligning center support bearing
Enhanced rubber cushion	Incorporates a drain galley. Increased attaching points	Extended Life

Part Number	Description	Price
N210661-1XSA	Drive Shaft Center Support	75.99
N210088-1X	Drive Shaft Center Support	26.99
N211359X	Drive Shaft Center Support	48.99
